

JUNE 2020 Newsletter

Covid -19 has presented a unique challenge to each of us. The Indian Government and our people have put their best efforts to fight the pandemic. We must be thankful to the Heroes, Police Department, VMC, Government officials, Doctors, NGOs and many more People who came ahead to work on saving millions of lives. It was a fight not just for providing medical assistance but also ensuring basic facilities are reaching all our citizens and this situation has surely made the country stand united and made each of us learn dealing with difficult situations and getting back to normal with safety and working on a healthier Indian Citizen mantra.

To fight such a challenge we must remain focused on increasing our health and immunity levels, maintain social distancing and have a strong mindset as a community to overcome and win decisively together. Collectively we have to work on health as well as contributing to our economy by working on our respective goals. The Club had worked on same mantra and even during the Lock down period all facilities were being maintained along with the Golf course which enabled us in immediate opening of facilities with greenery around even after challenges of lockdown and heat wave now hitting the Peak.

GBGC club presents all opportunities to our club members to enjoy as well as train, coach themselves and families to have higher and healthy living standard. Our spread around facilities of badminton, Tennis, Swimming Pool will help maintain possibility of social distancing and size of our club is surely an added advantage. While members are also advised to take all precautions enjoying and training themselves for different sports. The club team has put all efforts to ensure safety and precautions are being taken for members the same were being listed in Protocol for club facilities - Covid-19.

Protocols for Club Facilities - Covid-19

We have started club operations in phased manner to enable members to play Golf, Badminton & Tennis. While Advise of Social Distancing remains the key, the Club worked on Providing Facility of Golf Kit sanitization, sanitizing Badminton and Tennis court on regular intervals, Training Internal teams & Caddies, Placing Foot operated hand Sanitizer at multiple locations, Water Bottles sanitisation for member use, are the measures being taken by club for everyone's safety. Ensuring precautions are taken & adhering to New Protocols is a way of new life style for members and employee safety and we request each member to keep practicing the new norms while enjoying any club facility.

Club Facilities are being Resumed in Phased Manner

Phase I - Golf course, Driving Range, Tennis Court & Badminton Courts.

Phase II - Club House (Facility of Take away being started, IN house Café ,Swimming Pool & Gym Facilities will resume as per government Directives)

All are requested to help adhering to the Protocols & submit a self Declaration Form for Covid-19 pandemic at Gate #3 or at the club office.
