After a very engaging web meet on the golf local rules , we decided to have an exhaustive set of clarifications on the rulings for every hole. We have received many good observations and while finalising these rules will consider all suggestions. A final set of local rules & clarifications will be on the club website by 7 Oct 2020.

To keep these clarifications as an ongoing process , we plan to review them every quarter to ensure that every situation is well addressed. Thank you for participating in the web meet
